INTERNATIONAL WEDDING PHOTOJOURNALIST KID CHAN SITS DOWN WITH US OVER TEA AND MUSES ON LIFE, LOVE AND GOOD BOOKS.

## MY FAVOURITE BOOKS TO FACE LIFE'S MANY CHALLENGES.

### Marriage

'The Five Love Languages' by Dr Steven Chapman. It's relationship 101.

### Youth

'The Magic Of Thinking Big' by Dr David J. Schwartz. It will help set your course in life for the next 10 years.

### Raising Daughters

'Bringing up Girls' by James Dobson. I'm no expert but I believe this book is a must-have.

## MY MOM ALWAYS SAYS,

"When are you going to get a real job?" At the same time, she's also my biggest fan.

## MY ADVICE TO THE YOUNG

*Find a mentor. It could be a person, a book or even a seminar.*

## IF I COULD GO BACK IN TIME, I'D TELL MY MY 18-YEAR-OLD SELF THIS:

Know and trust God.  
I'm not trying to alienate anyone but there has to be something or someone who is bigger than this.  
We are not an accident.

## ON ACHIEVING SUCCESS AND WHAT IT ENTAILS.

The problem isn't in achieving success; it's the transition from success to significance. I've experienced a fair bit in my years and lately I find myself unlearning what I've learnt.

## APPLE OR ANDROID?

Apple.  
All my work is done using Apple's system so having a unified system helps to organise and speed up my workflow.

## ONE OF THE BEST THINGS I LEARNED FROM MY MENTOR

*"Bite your tongue till it bleeds."*  
Meaning, learn to let go. It often isn't worth it.

## IF I WEREN'T A PHOTOGRAPHER I WOULD BE A...

Chef.
